Zenitel Connect Pro - Device license - ZCL-IC1

Device license for Device group 1

Zenitel Connect Pro device license

Description

Every device which is connected to Zenitel Connect Pro requires a Zenitel Connect Pro - Device license - ZCL-IC1.

Zenitel Connect Pro is a communications platform which can run on the ICX-510 or on a Virtual Machine. Zenitel Connect Pro is the singular communication platform that is designed to cater to business, security, and safety communication needs. It empowers security teams with an easy-to-configure, easy-to-use platform for day-to-day operations.

Zenitel Connect Pro is designed to complement your video, access control, and other security systems with unified critical communications; enhancing situational awareness, reducing response time, and optimizing overall security posture. Thanks to its Open Standard design, Zenitel Connect Pro is ready for integration with world leading security and communication platforms. Zenitel Connect Pro is developed with a strong focus on simplified deployment & integration, cybersecurity, and regulatory compliance.
